Dear Mr. Weisberg:

Thank you for the enclosed material which you sent in your last letter and am returning it to you. I also made a typed copy for you. I do appreciate this kind of information, as it keeps me abreast and helps me keep our names clean.

I have been very busy and have neglected writing you, but hope to do better in the future.

For your information I enclose a copy of Fensterwald's letter.

Very truly yours,

Paul M. Rothermel, Jr.
